

MINUTES OF THE PLENARY SESSION OF THE ICNV,
OPEN TO ALL PARTICIPANTS OF THE SECOND INTERNATIONAL CONGRESS
OF VIROLOGY

Budapest, June 1971

Present : about 110 persons

3/1 The President explained the past history and the present situation of the ICNV, in relation both to organization and scientific work. The three chairmen of Subcommittees present (Code & Data, Co-ordination, Vertebrate Viruses) explained the proposed mode of operation of their respective Subcommittees.

3/2 There was some discussion about the Rules so far adopted by the ICNV : the cases for and against the introduction of new sigla were presented and several comments and questions followed.

3/3 The ICNV may amend the existing Rules, but proposals for amendment must be submitted to one of the Permanent Secretaries, at least one year before the next International Congress.
